

Press Release

Robert Gerle new General Manager at Güntner

As of November 1, 2011 Mr Robert Gerle is the new General Manager of Güntner AG & Co. KG

**Fürstfeldbruck,
November 2011**

As of November 1, 2011 Mr Robert Gerle is the new General Manager of Güntner AG & Co. KG.

In this office, he follows Mr Bernd Gantner who left the company due to differing opinions between himself and the Board of Directors with regard to the future orientation of the enterprise. Mr Gantner worked for Güntner for 7 years; during the last five years he very successfully acted as General Manager. We explicitly thank Mr Gantner for his accomplishment of positioning the company Güntner as an internationally renowned enterprise.

**Many years of
experience, senior
employee**

Mr Robert Gerle has worked for the Güntner Group for more than 20 years in different managerial capacities. During the last 8 years, he acted as General Manager of Güntner's sister company basetec GmbH.

In his new capacity as General Manager of Güntner AG & Co. KG, Mr Gerle will apply his many years of experience to continue the ongoing process of modernizing the company in order to maintain a stable and sustainable growth. It is important to keep strengthening and consolidating our renowned reliability with regard to quality and adherence to delivery dates in order to substantiate our position as internationally active medium-sized company. For the year 2012, the focus will be on developing new business areas and products and expanding into new markets in the European area.
